***Dear Judge Reice Buchwald:***

***Your Honor, please be advised that Mr. Jack Dorsey, through his agents, servants, employees, representatives, employees, etc. consistently denies the 1st Amendment Rights of Conservative Twitter users, which your Honor found to be a Public Forum, to Conservative users, & suspends, blocks or bans them on the most outrageous of excuses. The latest case is that of Twitter user @somesingsfishy, a Hispanic, 100% Disabled Service-Connected US Army Veteran from Albuquerque, NM. The user merely stated what 8 U.S. Code Subsection 1325 states, i.e. that illegal aliens are criminals. That statement, a copy is enclosed herewith, caused Twitter to suspend him under its “hate” clause. This while allowing users in true***

***violation of Twitter's Terms of Use, who happen to be of the Liberal ideology to spew all manner of insults, hate, misogynistic language against Conservative Women. The latest such example by yet another celebrity, Peter Fonda, who refers to one such Woman as a "gash", a vulgar term primarily used by Biker Gang Members to describe all Women. (Probably using his on-screen experiences from the movie "Easy Rider"). There are numerous other cases, with Mr. Keith Olbermann, also guilty of all types of vulgarity and indecent epithets, being happily allowed to continue.***

SS (Sarah Sanders) is a lying gash, too. And “gash” is much worse than cunt. Maybe we should take her children away and deport her to Arkansas, and giving her children to Stephen Goebbelz Miller for safe keeping.

Kristjen Nielsen is a lying gash that should be put in a cage and poked at by passersby. The gash should be pilloried in Lafayette Square naked and whipped by passersby while being filmed for posterity.
